Meet

Venue: FACC, Bidhan Chandra Krishi Viswavidyalaya, Kalyani, Nadia, West Bengal, India

6th CWSS INTERNATIONAL CONFERENCE ON Agricultural Innovations for Sustainable Development Goals with Special Focus on Natural Farming (AISDGONF-2023)

Organized by
**Crop and Weed Science Society (CWSS),
Bidhan Chandra Krishi Viswavidyalaya (BCKV)**
At
**Farmers' Academy & Convention Centre (FACC), BCKV,
Kalyani, Nadia, West Bengal, India**

March 10th
to 12th, 2023

Invitation

Dear Sir/Madam,

Crop and Weed Science Society (CWSS), is delighted to announce that **6th CWSS International Conference on “Agricultural Innovations for Sustainable Development Goals with Special Focus on Natural Farming”(AISDGONF-2023)** will be held at the Bidhan Chandra Krishi Viswavidyalaya, Nadia, West Bengal, India with generous support and cooperation from the **university, ICAR, NABARD, Government and other organizations**. Academics, researchers, professionals, and stakeholders can discuss and exchange knowledge in the area of agriculture and related sciences on a special platform made available by **CWSS**. In order to achieve the Sustainable Development Goals, the conference will showcase the cutting-edge technologies, highlight promising research and extension opportunities and outcomes, especially the natural farming and regenerative practices. The conference will focus on broad thematic areas such as crop production, crop improvement, biotic and abiotic stress management, natural resource management, natural farming, agri-horti engineering, biotechnology, ITK, economics, data and its management, agricultural extension, fisheries, animal science, sericulture, secondary agriculture and all other related fields as an engine of growth for sustainable food and nutritional security and income generation,.

The amount of networking chances for you to connect with colleagues from across the world may be increased, moreover we've also planned for more targeted sessions with cutting-edge presentations, unique panel discussions, and lively engagement with industry leaders, policy makers and experts. We cordially invite you to attend the **AISDGONF-2023** to network with your colleagues from various related fields, share knowledge and insights, and equip yourself with the most recent information to advance your expertise.

We are eager to personally welcome you at BCKV, West Bengal, India.

AISDGONF-2023

ORGANIZING COMMITTEE

Chief Patron: Dr Himanshu Pathak, Secretary, Dare and DG, ICAR, New Delhi, India

Patrons

Dr. B.S. Mahapatra, Vice Chancellor, BCKV, WB, India
Dr. R. C. Agrawal, DDG, Education, New Delhi, India
Prof. C. Guha, Vice Chancellor, WBUAFS, India
Prof. S. K. Chakrabarti, Vice Chancellor, UBKV, India
Dr. Anupam Mishra, Vice Chancellor, CAU, Imphal, India
Prof. M. K. Sanyal, Vice Chancellor, University of Kalyani, India
Dr. D. D. Patra Former Vice Chancellor, BCKV, WB
Prof. M. M. Adhikary, Former Vice Chancellor, BCKV, WB
Prof. S.K. Sanyal, Former Vice Chancellor, BCKV, India
Prof. D. Dasgupta, Former Vice Chancellor, BCKV, India
Prof. P. C. Bhowmik, University of Massachusetts, USA
Prof. Samunder Singh, President, IWSS, USA
Dr. Luis Avila, Secretary, IWSS, USA
Dr. A. N. Rao, IRRI and Secretary, APWSS
Dr. J.S. Mishra, Director, DWSR, ICAR, M.P., India
Dr. Satyabrata Maiti, Former Director, MAPR, ICAR, India
Dr. Jay G. Varshney, Former Director, DWSR, ICAR, M.P., India
Dr. N.T. Yaduraju, Former Director, DWSR, ICAR, M.P., India
Prof. SKT Nasar, Former Director of Research, BCKV, India

International Advisory Committee

Dr. Te-Ming Paul Tseng (USA), Vice-President, IWSS
Prof. Ricardo Labrada, Spain.
Prof. Tapas Kr Biswas, Australian National University, Australia
Prof. Ahmet Ahuludag, EPPO, Turkey
Prof. Uma Rani Sinniah, Malaysia
Prof. Mrs. Nilda R. Burgos, University of Arkansas, USA
Prof. Yoshiharu Fujii, Tokyo University, Japan
Dr. Steve Adkins, University of Queensland, Australia
Dr. S. K. Saha, Emeritus Professor, CSSTEAP, ISRO, India
Dr. P. Samanta, Incheon National University, Republic of Korea
Dr. Pawan Kumar Singh, CIMMYT, Texcoco, Mexico.
Dr. Maiada M.El-Dawayati, Agriculture Research Center, Egypt
Dr. S. K. Saha, Emeritus Professor, CSSTEAP, ISRO, India
Dr. B. K. Chakraborty, Dept. of Fisheries, Dhaka, Bangladesh
Dr. T. J. Krupnik, CSISA, Country Coordinator, Bangladesh
Dr. Md. Akhtaruzzaman, Ministry of Agriculture, Bangladesh
Dr. S. Singh, Director, IRRI South Asia RC, Varanasi, India
Dr. Prasun Kumar Das, FAO, Bangkok

NATIONAL ADVISORY COMMITTEE

Dean, PG Studies, BCKV, West Bengal
Director of Research, BCKV, West Bengal
Prof. A. Chowdhury, Director of Research, UBKV, West Bengal
Dean, Faculty of Agriculture, BCKV, West Bengal
Dean, Faculty of Horticulture, BCKV, West Bengal
Dean, Faculty of Agricultural Engineering, BCKV, West Bengal
DEE, BCKV, West Bengal
Director of Farms, BCKV, West Bengal
Director, CSR&TI, Ministry of Agriculture, Berhampur, West Bengal
Dr. J. Rane, Director, ICAR NIASM, Pune, Maharashtra
Dr. P.R. Sharma, Director, Extension Education, CAU, Imphal, Manipur
Mr. Sajal Ghosh, Former VC, BCKV and Director, Ag. WB
Dr. V. K. Mishra, Director, ICAR RC for NEH Region, Meghalaya
Dr. A.R. Khan, Chief General Manager, NABARD
Dr. D. K. Bhattacharya, CM, IFFCO, Kolkata, West Bengal
Dr. Shiva Dhar, Secretary, ISA, IARI, New Delhi
Prof. A. R. Ghosh, University of Burdwan, West Bengal
Prof. Sumit Chakravarty, UBKV Pundibari, West Bengal
Prof. Rambilash Mallick, Agriculture, Calcutta University, Kolkata
Dr. A. R. Sharma, Director Research, RLB CAU, Jhansi, UP
Dr. S.K. Pal, Dean & Director, BAU, Ranchi, Jharkhand
Dr. Arup Ghosh, CSIR-CSMCR, GB Marg, Bhavnagar, UP
Dr. R. K. Sohane Director Extension Education, BAU, Bihar
Dr. Bharat Bhushan Choudhary, SKUAST, Jammu
Prof. Tapan K. Maiti, Principal, Tripura College, Agartala, Tripura
Dr. Gursharan Singh Kainth, Director, GADIDS, Amritsar, Punjab
Dr. Sanjoy Saha, PS, ICAR-NRRI, Cuttack, Odisha
Dr. A.K. Barik, Principal, Visva Bharati, Bolpur, West Bengal
Dr. R.K. Gayal, Director, ICAR-CAZRI-RRS, Leh-Ladakh
Dr. Sushil Kumar, President, ISWS, Jabalpur, MP
Prof. A. Kuntia, DEE, OUAT, Odisha
Prof. Sunil Kumar, CAU, Pasighat, Arunachal Pradesh
Prof. Ashoke Bhattacharya, DR, AAU, Assam
Prof. Jayanta Deka, Dean, AAU, Assam
Prof. V. Pratap Singh, GBPUAT, Pantnagar, Uttarakhand
Dr. Mrs. Puja Roy, Presidency University, West Bengal
Dr. S. Sarkar, CRIJAF, ICAR, West Bengal
Dr. Amitava Rakshit, BHU, Varanasi, UP
Dr. Mrs. Annie Poonam, ICAR-NRRI, Cuttack
Dr. Pradeep Misra, JNKVV, MP

Dr. J. Suresh Kumar, Vegetables, ICAR-CTCRI, Kerala
Dr. A. V. V. Koundinya, PS, ICAR-CTCRI, Kerala
Dr. F. H. Rahman, ATARI, ICAR, Kolkata, West Bengal
Dr. N. C. Sahu, SSKVK, RKMVERI, Narendrapur, West Bengal
Dr. A. S. Jadhav, DDR, VNMKV, Parbhani, Maharashtra
Dr. Nirmal Kumar Patra, CAU, Nagaland
Dr. Achal Lama, ICAR-IASRI, New Delhi
Mr. Mukesh Tamang, Deputy Director of Agriculture (P), Nagaland
Dr. Anandakrishnan Balaraman, Director R & D, FMC India
Mr. A. Churial, MD, Krishi Rasayan, Kolkata, West Bengal
Mr. Sanjay Chaudhary, MD, Sinochem India, New Delhi
Dr. Arunkumar Vishnu Dhuri VP: Reg. & PD, Excel Ltd.
Dr. Mrs. A. Roy, GM, Reg. & Regulatory Affairs, ADAMA
Dr. Bhupen Dubey, GM, Advanta Seeds, India
Dr. Muralikrishna, MD, Biostadt India
Dr. V. Gade, Head, R & D, M/S PI Industries
Mr. Sankar Basak, GM, Excel Crop Care,
Dr. Abhisekh Naik, Regional Manager (Marketing) Veg. Ajeet Seeds
Dr. Debrot Roy, GM, VNR Seeds
Mr. Abhijit Bose GM, AP Region, M/S Opex Holding
Mr. Ranadeep Das, CEO, Ingreens, Kolkata
Mr. Raju Choudhury, CEO, Murari Corporation, West Bengal
Mr. Debjit Adak, LRVP, Sumedha Fiscal, Services Ltd., WB
Mr. Prabal Roy, GM, Pepsico India
Dr. J. N. Sengupta, GET, Kolkata
Dr. Sagar Mitra, Dean, CU, Odisha
Mr. Ritankar Pal, Director, Ingenuiti, Telecom Solutions Ltd, WB
Mr. Alok Marodia, Managing Director, Pan Seeds
Dr. Mrs. Sabita Nath, GM, M/S ORO AGRI India, New Delhi
Dr. Mayank Yadav, MD, Corteva India Ltd., India
Mr. Jayanta Chakraborty, GM., Indofil Chemicals, Kolkata
Mr. Debasis Bose, GM, Juagriscience Ltd., India
Dr. Suhrid Ranjan Barik, RM, M/S Corteva, India
Mr. Milan Biswas, GM, M/S AIMS Horizon Pvt. Ltd., Kolkata
Mr. Arindam Saha, Director, Aims Horizon, Kolkata
Mr. Manoj Mukherjee, TM, Sumitomo Chemicals
Mr. Manojit Ghosh, M/S Syngenta
Mr. Sajal Biswas, RM, ADAMA India
Dr. Dhiman Roy, TH, Siddhivinayak Agri. Processing, Pune
Mr. Amitesh Chandra, Ambuja Cement Foundation, Howrah, WB
Mr. Saikat Pal, Prasari, Kolkata, West Bengal

Background:

The estimated 9.8 billion populations by 2050 will require food, fuel, fibre, flowers, livestock, fish and dairy products, production of which must be ensured. Additionally, the climatic risks and weather unpredictability made the situation more troublesome for the crop production. The biosphere is fragile due to the ethical and sustainability trade-offs present in today's livelihood options in agriculture and related businesses. Therefore, there is a need for increased production, lower costs, and better use of energy and natural resources besides achieving sustainable developmental goals and augmenting farm income. Natural Farming (NF) is a chemical-free agroecology based diversified farming system which integrates crops, trees and livestock with functional biodiversity. NF in recent years is aimed at promoting traditional indigenous practices which reduces externally purchased inputs. Farmers across the globe are already practicing the regenerative agriculture in a form of either organic farming or natural farming. NF being a cost-effective and ecologically compatible alternative would be a catalyst in achieving the Sustainable Development Goals. The NF would ensure food security and zero hunger through better yield, diversity in cropping and access to nutritional sources and income-generating crops throughout the year. The water-conservation and ecological-preservation aspects of NF contribute to the availability and sustainable management of water and reduction of CO₂ emissions in various stages of agriculture. NF would ensure good health in the community through prevention of land degradation, reduction of ocean acidification and marine pollution from land-based activities. Although innovations are in the works and industry is working to increase profits through agriculture and related activities, research still holds potential, and farmers are unable to adopt an entrepreneurial mindset due to their current level of expertise. Agriculture no longer enjoys the same level of credit it once did, and this is due to industry enjoying less convergence with the present farm produce. This is due to countries signing global reforms and poorer nations experiencing subsidy withdrawals. Increasing employment opportunities and opening up the market are additional ways to find credit solutions. The main problem is attitude and enterprise composition, which can only be solved by enhancing farmers' ability in order to create a more sustainable, lucrative agricultural product basket that will be appealing to the market. In the new era of skillfulness, there is a need for more collaboration among industry, the government and educational institutions. The academic community has a new responsibility to support this scenario by recognizing prospective advances in various arenas pertaining to agriculture from their research repositories that will make the entire process easier.

Under the above back drop, the **Crop & Weed Science Society** is going to host the **International Conference on "Agricultural Innovations for Sustainable Development Goals with Special Focus on Natural Farming (AISDGONF-2023)"** in order to fulfill this responsibility and provide an appropriate response to the future.

Theme Areas

A. Technology outreach and agri-trade for convergence of farm with institute, industries and policy makers

- **Stakeholders' Meet:** Farmers, scientists, industries, developmental agencies, financial institutions and departments on new and innovative pesticides, biofertilizers, organics, nutrients and other agroinputs
- **Panel Discussion:**
 - Translating agro-technologies towards sustainable development goal
 - Streamlining capacity building and outreach activities to spread technical, genetic, quality, trade and digital literacy
 - Role of government and agro-industries in shaping agricultural landscape for a sustainable and self-reliant livelihood
- Innovative extension approaches for uplifting knowledge and skill including e-extension and m-extension
- Indigenous technical knowledge and traditional wisdom
- Impact analysis, case studies and success stories
- Paradigm shift in agri-market, agriculture produce marketing committee, supply chain management, e-market and export promotion
- Emerging issues like one district one crop, crop insurance, contract farming, etc.
- Group dynamics in agricultural and allied sector including
- FPCs, SHGs, Cooperatives, etc. Policy planning for transforming agriculture and allied sector Promotion of entrepreneurial ecosystem and agri-preneurship development

B. Frontier areas in crop production and natural resource management with special reference to Natural Farming

- Innovative production technologies of cereals, pulses, oilseeds, fiber and nutri-cereals, etc.
- Soil health management including integrated nutrient management, green manuring, organics and nano-fertilizers
- Water management including micro-irrigation and water harvesting
- Integrated farming, conservation agriculture and land use system
- Climate smart crop production, carbon and water footprint and abiotic stress management
- Ecosystem services for ecological restoration
- Resource management in crop and cropping system
- Energy management in agriculture
- Soil and plant microbiology
- Bioremediation of contaminated soil and water

- Agro-forestry and allied aspects

C. Horticulture as a growth engine in achieving sustainable developmental goals

- Production technology of fruits, vegetables, spices and plantation crops including orchard management, crop architecture, organic horticulture, crop diversification, nutrient and water management, interculture, etc.
- Alternate production system including precision farming, protected cultivation, hydroponic, aeroponic, etc.
- Vertical farming and multi-storied cropping system
- Year-round production and off-season cultivation
- Use of plant-activators and bio-stimulants
- Ornamental, medicinal and aromatic horticulture
- Nutri-garden and urban/peri-urban/metro horticulture
- Specialty high value crops for income generation and export
- Hidden potential of underutilized horticultural crops

D. Advances in crop improvement, biotechnological approaches and biotic & abiotic stress management

- Advances in genetics and plant breeding including speed breeding
- Molecular breeding including genomics, proteomics, phenomics and genetic engineering approaches
- Development of bio-fortified crop varieties
- Plant genetic resources including crop wild relatives
- Seed science and technology including seed storage
- Plant biochemistry, enzymology and phytochemicals
- Plant biology and physiology
- Biodiversity conservation and utilization
- Integrated pest, disease and weed management
- Ecological engineering and eco-friendly protection measures including biological control
- Biotechnological and nano-technological approaches in biotic stress management
- Emerging and trans-boundary pests or diseases and their surveillance
- Pesticide residue in crops, health hazards and solutions
- New generation plant protection chemicals
- Technological upgradation for abiotic stress management, climate resilient agriculture, horticulture etc.

E. Role of farm mechanization, IT, bioinformatics, post harvest technology and big data management in agriculture/ livestock farming/ fisheries/sericulture/apiculture in achieving sustainable developmental goal

- Innovative farm mechanization for crop production, crop processing, food technology and natural resource conservation, post-harvest management and storage
- Food processing and value addition including plant derived color, flavour, essential oils, oleoresin and edible oil
- Human nutrition and metabolomics
- Bioprospecting including nutraceuticals, functional food and biofortified food
- Food engineering and innovative packaging
- Bee-keeping and honey processing
- Production and processing of mushroom
- Cold chain and block chain management
- Food safety and quality control
- Waste management and valorization
- Use of artificial intelligence, drones, automation, sensors, robotics, remote sensing and GIS, simulation and modeling, 3D printing for sustainable agriculture
- Data & its management for achieving Sustainable Developmental Goals
- Climate modeling for resilience in agriculture
- Bioinformatics and statistical tools in achieving sustainable developmental goal in agricultural and allied sciences
- Digital agriculture and decision support system including
- ICT and mobile apps
- Modeling and forecasting in agriculture towards achieving SDGs
- Livestock, poultry and fish breeding using conventional and frontier approaches
- Livestock and poultry production including housing and feed management
- Capture fisheries, composite fish culture, cage culture, biofloc, cold water fisheries and running water fisheries, etc.
- Ornamental fisheries
- Health management for livestock and fisheries
- Climate compatible technologies in livestock and fishery sector
- Genetic resources and biodiversity in livestock and fisheries

REGISTRATION FEE

Delegates	Early bird (Within 31 st January 2023)	Post Early bird (After 31 st January 2023)
Member, CWSS	Rs. 4000	Rs.5000
Non-Member (including SAARC Countries)	Rs.5000	Rs.6000
Foreign delegates (excepting SAARC Countries)	\$100 or Equivalent INR	\$125 or Equivalent INR
Student Member	Rs.2500	Rs.3000
Student Non-Member	Rs.3000	Rs.3500
Accompanying Person (Foreign)	\$100 or Equivalent INR	\$ 100 or Equivalent INR
Accompanying Person (India)	Rs.2000	Rs.2000
Life Membership + Registration	Rs.7000	Rs. 8000
Corporate Registration	Rs.10000	Rs.12000

SPONSORSHIP FOR EXHIBITION

Category	Fee (Rs.)	Facility
Platinum	200000	Conference kit, Exhibition stall (10ft × 10ft), 15 min presentation in session 2, certificate to the presenter, accommodation and refreshment of 2 persons for two days one night, full page colour advertisement in the Back Cover Page of Souvenir.
Diamond	100000	Conference kit, Exhibition stall (10ft × 10ft), 10 min presentation, accommodation and refreshment of 2 person for two days one night, full page colour advertisement in the Souvenir
Gold	75000	Conference kit, Exhibition stall (10ft × 10ft), accommodation and refreshment of 2 person for two days one night, half page colour or full page B&W advertisement in the Souvenir
Silver	50000	Exhibition stall (10ft × 10ft), accommodation and refreshment of 1 person for two days one night, quarter page colour or half page B&W advertisement in the Souvenir
Normal	30000	Exhibition stall (10ft × 8ft), and refreshment of 1 person for two days one night

The Registration Form is attached with this brochure. Delegates should sent the duly filled up signed form to the “Organizing Secretary, AISDGONF-2023” within **January, 2023**

The Registration fee includes Kits, Lunch (three days) and Dinner (two days) and Local Transport during the conference period

For arrival & departure to NSCB Airport / Railway Station Howrah & Sealdah and for site seen at Kolkata / Sundarban areas transport will be provided only by making advance booking (Contact person Convenor, Transport committee)

Paymentmode: Only through online transfer in favour of Treasurer, CWSS, A/C No 11151098081 payable at State Bank of India, Central Park Branch, IFS code: SBIN0001082

For online transfer of money via IMPS, NEFT, PhonePe, and Google Pay provide detail transaction reference along with name of the payee, article acceptance reference number(if any) and transaction details (screenshot) as attachment.

SUBMISSION OF ABSTRACT OF ARTICLE

Abstract Specifications: Content: within 250 words; **Font-** Times New Roman Title (12 point bold, capital), Author's name(s) pointing the presenter (11 point capitalizing each word), Institution and corresponding address including Email ID of corresponding author (10 point) followed by content (Introduction, Materials & Methods, Results & Discussion and Recommendation without heading of the sections) should be provided in A4 size paper with 1" margin in all sides. Please email your abstract/full article mentioning the **theme number, preferred mode of presentation and name of the presenting author with email id to roynema@gmail.com.**

NOTE: Full Article for Journal: Registered candidates may submit their full length paper for the double blind peer reviewed Society's Journal, *Journal of Crop and Weed* having ISSN 9174 6315(P), 2349 9400 (Online), NAAS ranking 5.46 following the format and review process of the journal and paying just the processing fee of Rs.500/= or \$100.00 only **by 15th January 2023**. For submission of full article please consult authors guideline at www.cropandweed.com

Poster presentation: The size of the poster will be 80 cm (B) × 100 cm (L), briefly showing Title, Authors name & address, Introduction with Objective, Methodology, Results and Discussion (tables, figures and photographs) and bulleted summary or conclusion. The poster will have to be attractive with appropriate colour scheme so that the content is readable from a distance of at least **one meter**.

Note : AISDGONF-2023 Seminar Proceeding will include the Abstracts of the contributors only who will register for the conference within **15th January 2023**.

Important dates to remember for International Conference AISDGONF-2023

Last date of submission of Abstract	January 15, 2023
Acceptance of Abstract	On or before January 20, 2023
Early Bird Registration	On or before January 31, 2023
Spot Registration	At registration desk
Date of Seminar	10-12 March, 2023

Location Details

Seminar site: It is situated at 22°94' N latitude and 88°53'E longitude with an altitude of 9.75 m above mean sea level. It is 50 km from the Netaji Subhas Chandra Bose Airport, Kolkata and almost 57 km distance from Howrah / Sealdah Railway Station, Kolkata. From Bandel Railway Station (Howrah main line) it is only 12 km. Temperature is moderate, Maximum 30° Celsius and Minimum 15°C. Climate is comfortable, neither too cool nor too hot.

Accommodation: FACC, BCKV, Kalyani, Nadia, West Bengal, India and Local Hotels (AC): Accommodation will be arranged as against advance booking only. The rent of rooms (AC) may vary from 1000- 7000 day⁻¹ depending on types of accommodation. All rooms are double bedded.

Field trips: The full-day field trips shall be offered to delegates for three different places. These are optional and at an additional cost as indicated in proforma for field trips. **All trips are subjected to minimum numbers (at least 30).**

1. City Tour Kolkata A: The Victoria Memorial, Eden Gardens, Birla Planetarium, Kalighat Temple, Alipur Zoo etc.
2. City Tour Kolkata B: Dakshineswar Temple and Belur Math, Bandel Church, Hangsheswary Temple etc.
3. Sundarbans: Mangrove, Sajnekhali Tiger Reserve and Bird Sanctuary etc.
