CROP AND WEED SCIENCE SOCIETY
SECRETARIAT: DEPARTMENT OF AGRONOMY
Bidhan Chandra Krishi Viswavidyalaya
MOHANPUR - 741252
NADIA, WEST BENGAL

ANNOUNCEMENT FOR CWSS AWARD

Applications are invited for the awards of young scientist, fellow, gold medal, from the members of the Crop and Weed Science Society. Awards will be conferred every year. Signed applications, clearly mentioning and providing supporting documents highlighting the academic records, scientific achievements, contribution to national and international agriculture and rural development along with name, date of birth, designation, address, service details and two passport size photographs should be sent. The age limits are a) Young Scientists < 40 years, b) Fellow 40 years and c) Gold Medal > 50 years. In case of more than one applications for Young Scientist award the participants will have to present their best research findings, to be evaluated by a panel of eminent scientists. The applications for each category should reach to the Secretary, Crop and Weed Science Society, (Email: secretary1@cwssbckv.org) Department of Agronomy, Bidhan Chandra Krishi Viswavidyalaya, Mohanpur, Nadia, PIN- 741252, on or before 31st March of every year. The society will decide the number of awards to be conferred in each category every year. Decision of the Society would be final in this regard.

CONTENT

Title	Author	Page No.
Production		
Diurnal variation in transmission of PAR within wheat and mustard canopies under intercropping system	S. Jena, S. Maji, S. Basu, Pramiti. K. Chakraborty, P. Bandopadhyay, R. Nath and P. K. Chakraborty	1-8
Studies on seed germination pattern and effect of sowing date with planting prototype on <i>Valeriana jatamansi</i> (Jones): A rare medicinal plant of Eastern Himalaya	D. Mukherjee	9-13
Studies on organic nutrition in improving yield and quality of ber cv. BAU Kul-1	S. Kundu, S. Chakraborty, D. Roy, B. Ghosh and P. Dutta	14-18
Phenotypic diversity studies on selected rice (<i>Oryza sativa</i> L.) genotypes based on grain and kernel traits from Kenya and Tanzania	M. A. Musyoki, W. F. Kioko, N. P. Mathew, K. G. Muriira, N. D. Wavinya, M. L. R. Chemtai, N. S. Mwenda, M. J. Kiambi and N. L. Ngithifelix	19-23
Factors influencing knowledge level of shrimp farmers towards better management practices (BMPs) in Nellore district of Andhra Pradesh	Yarrakula Mahesh Babu, S.S. Dana and H.K. De	24-27
Effect of organic nutrient management on growth rate and crop productivity in sustainable rice-rice system	S. Pradhan and S. Moharana	28-33
Relative abundance of pollinators, foraging activity of bee species and yield performance of okra at Dhaka (Bangladesh)	M. A. Hasnat, S. Sarkar, M. S. Hossain, I. F. Chowdhury and M. A. Matin	34-37
Assessing the determinants of net profit from the enterprises in West Bengal	K. Pradhan, P. Talukdar and D. Roy	38-43
Studies on effect of incubation temperature and light intensity on mycelial growth of oyster species	M. K. Rout, K. B. Mohapatra, P. Mohanty And S. S. Chand an	44-46
Botanical description, eco-physiology and control of <i>Trianthema portulacastrum</i> Linn.	G. Gaddeyya and P. K. Ratna Kumar	47-54
Effect of water and organic nutrient management on productivity of kharif rice	S. Tripathy and D. K. Bastia	55-58
Participatory evaluation of some folk rice genotypes	S. K. Bordolui, R. Sadhukhan and P. Chattopadhyay	59-62
Identification of optimum leaf area index (LAI) for high density planting of banana cv. martaman in Gangetic Alluvium region of West Bengal	S. Debnath, F.K. Bauri, B. Band yopadhyay, D.K. Misra, K.K. Mandal, I. Murmu and P. Patil	63-66
Influence of plant growth regulators on growth and yield of garlic (<i>Allium sativum</i> L.)	N. Chattopadhyay, F. Lalrinpuii and U. Thapa	67-71

Title	Author	Page No.
Genetic analysis and interrelationships among yield attributing traits in pole and bush type dolichos bean (<i>Lablab purpureus</i> L.)	I. Das, V. D. Shende, T. Seth, Y. Yadav and A. Chattopadhyay	72-77
Assessment of genetic variability, interrelationship and direct and indirect effect of seedling characters on fibre yield of jute under rainfed and irrigated condition	A. Sawarkar, S. Yumnam, S. Mukherjee and K. K. Sarkar	78-85
Efficacy of sulphur on growth, yield and quality of onion (<i>Allium cepa</i> L.)	S. Chattopadhyay, P. Santra, S. Behera and T.K. Maity	86-89
Growth and yield of fennel (<i>Foeniculum vulgare</i> L.) as influenced by integrated nitrogen management and spacing	A. Pariari, A. Mukherjee and S. Das	90-93
In situ analysis of growth performance of the <i>Sal</i> clone (<i>Shorea robusta</i> Gaertn. F.) after transplanting in the field	A. K. Chakraborty, D. Tamang and K. Sengupta	94-98
Analysing the impact of capacity building process on participatory seed village programme in Purulia district of West Bengal	A. Chakraborty, P. P. Ghosh, S. K. Bhattacharya, B. Mahato and M. K. Bhattacharjya*	99-104
Effect of irrigation levels and planting geometry on growth, cob yield and water use efficiency of baby corn (<i>Zea mays</i> L.)	D. Dutta, D. Dutta Mudi and T.L. Thentu	105-110
Effect of irrigation and nutrient management on growth, yield, quality and water use of summer baby corn (<i>Zea mays</i> L.) in new alluvial zone of West Bengal	S. Roy, A. Sengupta, M. Barman, A. M. Puste and S. K. Gunri	111-116
Exploring the distribution pattern of rural labour migration and its impact on agriculture	A. Saha and M. M. Adhikary	117-121
Economization of irrigation schedule in wheat (<i>Triticum aestivum</i> L.) cultivation under sub-Himalayan plains of West Bengal	B. Mitra and S. Das	122-126
Impacts of date of planting and crop geometry on growth and yield of baby corn (<i>Zea mays</i> var. <i>rugosa</i>)	S. Bairagi, M. K. Pandit, P. Sidhya, S. Adhikary and A.V.V. Koundinya	127-131
Effect of micronutrients on some biochemical constituents and yield of ginger	A. Chakravarty, S Guchhait, J K Hore and D Mukherjee	132-137
Protection		
Bioefficacy of chemical herbicides in weed management of aerobic rice at Sabour region of Bihar	B. Kumar, M. Haque, A. Kalpana and D. Nagarjuna	138-143
Persistence and metabolism of dithiopyr in different soils of West Bengal	S. Roy, A. Bhattacharyya and A. Chowdhury	144-150
Epidemiological survey on morbidity and mortality pattern in Black Bengal goats reared by the tribal people of West Bengal	S. S. Dana, U.K. Bandyopadhyay and Amitava Ghosh	151-153

Title	Author	Page No.
The effect of hand weeding and planting density on the yield, essential oil content (<i>Mentha piperita L.</i>) in Hamadan and some morphological properties of peppermint	M. Raoofi and S. Giti	154-160
Infestation of <i>Parthenium hysterophorus</i> in district Sialkot: a case study	M. Adnan, A. A. Shahid, M. Ali and A. Haider	161-167
Integrated weed management in cauliflower (<i>Brassica oleracea var. botrytis</i>) under dry temperate climate of western Himalayas	A. Kumar, S. Manuja, J. Singh and D. R. Chaudhary	168-171
Positioning IPM compatible pre-mix formulation of cartap hydrochloride 50SP + buprofezin 10EC (KCB-2010) to combat chewing and sucking pests of okra	P. K. Sarkar and D. Roy	172-180
Studies on some bio-ecological aspects and varietal preference of banana aphid, <i>Pentalonia nigronervosa</i> Coquerel (Hemiptera: Aphididae)	G. Basak, A. Banerjee and B. Bandyopadhyay	181-186
Nanotechnology and allelopathy: synergism in action	N. K. Dhillon and S. S. Mukhopadhyay	187-191

Journal Information: JOURNAL OF CROP AND WEED

1. The Journal of Crop and Weed is a biannual Journal (during June and December every year); additionally, special issues are also published
2. Journal is abstracted at CABI and has been accepted for indexing at AGRICOLA
3. The journal publishes double blind peer reviewed research articles
4. Every article submitted for consideration in the journal undergoes rigorous check for plagiarism
5. The journal follow the standard publication ethics (available at www.cropandweed.com)
6. The Journal is available both in Online (ISSN 2349 9400) and Print (ISSN 0974 6315) version
7. Online version of the Journal is available at www.cropandweed.com
8. The Journal is ranked for 2014 by NAAS (Rank 3.59), Index Copernicus International (ICV 6.13), International Scientific Indexing (ISI) (Impact Factor 1.437) and Infobase indexing (2.93 at 5.0 scale).
9. The Journal has received the CODEN code: JCWOAT
10. The Journal has been added to the data base of the Electronic Journals Library.
11. The Journal has been accepted at open Academic Journal Index.

The Crop and Weed Science Society (CWSS)

thankfully acknowledges
